FUNDING AWARD

A. APPLICATION
1. In order to effectively budget and plan for conferences or competitions, students should request and submit funding applications to the Diversity Services Office in enough time to defer costs associated with attending. All requests should be sent to diversity@law.msu.edu.
2. A student organization, individual or team may only apply for conference funding once per academic year.
3. Due to limited funds, a student organization, individual or team who received funding during the prior academic year will have these facts weighed heavily during their application review.
4. The submission of an application does not guarantee that funding will be granted.
5. Decisions are typically issued within seven (7) to ten (10) business days after each deadline date. Please contact Mary A Ferguson at diversity@law.msu.edu with any questions or concerns.

B. AMOUNT
1. The purpose of this award is to provide each applicant with some assistance in attending a conference, meeting or competition. Thus, 100% funding for travel is not likely to be granted.
2. Due to the changes in the budgetary allotment of conferencing funding by MSU Law each academic year, an exact percentage per application will not be determined until time of the application submission.

C. APPROVED USE OF FUNDS
1. Funds may be used for registration costs.
2. For all additional approved uses and policies, see attached MSU Law document entitled “Student Travel, Lodging and Per Diem Reimbursement Policy.”

D. FUNDING REIMBURSEMENTS
1. Reimbursement of expenses will be strictly followed according to the MSU Law document entitled “Student Travel, Lodging and Per Diem Reimbursement Policy.” (See attached)

E. MISAPPROPRIATION OF FUNDS
1. If funds are misappropriated, the funding applicant will be required to return the misappropriated funds to the Diversity Services Office account and be ineligible for funding for two academic years after the finding of fault for misappropriated funds.
2. For student organizations, failure to return the misappropriated funds will jeopardize the registration status of the organization. If the student organization’s MSU Law account does not have sufficient funds, it will become the individual applicant’s personal responsibility to reimburse the MSU Law Diversity Services Office.
3. Individuals who apply for funding independent from being a member of a MSU Law student organization will be personally responsible for returning the misappropriated funds. If funds failed to be returned, a “hold” will be placed on the student’s MSU Law “Stuinfo” account.
4. Student applicants who fail to comply are reminded of their obligations under the Code of Student Discipline. Any failure to comply will be reported as a violation of the Code of Student Discipline and reported to the State Board of Law Examiners.
