Graduate Programs in the American Legal System

Whatever your goals, we can help you achieve them.
The skills you will learn are just as important as the courses you will take.

- Critical thinking
- Common law research and writing
- Applying business concepts to legal practice
- Oral advocacy
- Dispute resolution
- Negotiation
- International Civil Litigation

The global legal job market is competitive. Employers want practice-ready professionals. Our graduates are ready to lead in the modern legal marketplace.

We provide the expertise and the resources. You supply the energy and initiative.

Innovators and entrepreneurs. Ready for anything.

Our graduates have bright minds and bold futures.

Go further with an MSU Law graduate degree.
